

GMR Vemagiri Power Generation Limited

Environment, Health, Safety and Quality (EHSQ) Policy

In line with our GMR Group's Vision and Values & Beliefs, we are committed to adding value for our stake holders and achieve sustainable growth through:

- Adopting prudent utility practices for Asset management of the Power plant for generating power and complying with the requirements of all our stakeholders
- Protection of the environment including prevention of pollution
- Ensuring fulfillment of compliance obligations
- Preventing ill health and injuries arising out of our activities
- Complying with the requirements of applicable management system standards and integrating them with GVPGL Business Strategies
- Continual improvement of EHSQ Management Systems and its performance
- Engaging with neighboring community through CSR initiatives

This Policy is communicated within GVPGL and is made available to the relevant interested parties.
